

Dear Parishioners, Friends and Benefactors,

We greet you with the Feast of our Lord's Nativity and pray that our Lord send you spiritual and physical strength, peace and joy in the New Year. We thank you for your participation in the cathedral's liturgical life and your kind support. We are especially grateful to all those who helped us last year with the renovation projects for the cathedral's 50th anniversary – thank you! Our cathedral is regularly in need of all sorts of repairs, but we also have our daily expenses and we once again ask for your help to help cover these. May our Lord bless and protect you and your close ones!
